Date of birth: 21.05.2003 · Nationality: Ukrainian ·

Work permit: Open to remote roles; happy to confirm work-authorization details

### PROFESSIONAL SUMMARY

3D visualization artist and digital designer with 5 years of experience across motion design, UI/UX, and 3D architectural visualization. Delivered photo-realistic interior and exterior renders for real estate developers – including a residential project where the visuals directly supported a higher sale price – using 3ds Max, Corona Renderer, and V-Ray. Brings a motion-design and branding background that strengthens composition and storytelling in still and animated work alike. Based in Switzerland; seeking remote 3D visualization opportunities.

### KEY SKILLS

**3D Visualization & Rendering:** 3ds Max · Corona Renderer · V-Ray · AutoCAD · Blender · Maya

**Post-Production & Motion:** Adobe Photoshop · After Effects · VFX · Premiere Pro · Media Encoder

**Design & Web:** Illustrator · InDesign · Figma · Adobe XD · WordPress

**AI-Assisted Workflows:** Runway · Claude · OpenArt

### PROFESSIONAL EXPERIENCE

#### Freelance 3D Visualization & Digital Designer *July 2021 – Present*

- Deliver photo-realistic 3D interior and exterior visualizations for real estate and design clients – approximately 35% of total freelance project volume
- Completed 4 medium-scale 3D visualization projects, including a residential development where the renders were used to justify a higher sale price
- Produce motion and static advertising creatives for social media, and design UI/UX for web and application clients
- Manage projects end-to-end – client briefing, delegation, and on-time, client-approved delivery

#### Motion Designer – International Company (NDA) *January 2025 – June 2025*

- Created and edited an average of 20 videos per month, including social media ads, interview edits, and event highlights
- Adapted content to brand guidelines across Reels, Stories, and feed formats, improving consistency and viewer retention
- Collaborated with international stakeholders under NDA, implementing feedback quickly to meet tight campaign deadlines

#### Additional Experience – Customer Service, Logistics & Translation

*March 2023 – May 2023 · June 2019 – February 2020 · occasional*

- Customer service manager (English) for a company issuing residence permits for foreigners (March 2023 – May 2023); logistics coordination including temporary director duties (June 2019 – February 2020); occasional business interpreting (Polish–English, Ukrainian–English) and ticket sales for business events

### EDUCATION

**2020 – 2023** Computer Graphics and Design – IT Step Academy

**2021 (2 months)** Adobe After Effects Course

**2019 (1 year)** European School of Leadership and Business

**2018 (6 months)** School of Small Business – Lviv Institute of Management

### LANGUAGES

Ukrainian – Native · Russian – Fluent · English – B2 (Upper-Intermediate) · Polish – Conversational
